

AIDS Connecticut Corporate Member/Sponsor Benefits

Access to legislators and public health officials, including state department of Public Health's AIDS Division which oversees prevention, care, CADAP, CIPA (CT Insurance Premium Assistance), and syringe exchange.

Involvement in the development of policy priorities and an advocacy agenda for Connecticut Participation in planning sessions and other meetings relevant to the legislative agenda through our AIDS LIFE (Legislative Initiative and Funding Effort) Campaign, CT's statewide HIV advocacy groups comprised of consumers, advocates, front line staff, and DPH staff and the CT HIV Planning Consortium (CHPC).

Fact sheets and policy position statements relevant to support legislative and policy efforts.

Email updates and information alerts on health care reform, HIV prevention, care, housing, and other policy priorities.

Ability to post member news, press releases, and events from the field on the ACT website, and to have this material highlighted in our ACT email alerts.

Notice of all ACT-sponsored events and meetings.

Discounts on registration and/or exhibit fees for ACT events and conferences.

Invitations to policy briefings and networking events.

Opportunities for key staff to participate in ACT affiliated working groups. For example, CHAIR (CT HIV AIDS Identification and Referral), and Data Assessment Workgroup of the CHPC.
