

QUEST Coordinator

StayWell Health Center in Waterbury CT is seeking to hire a part time (20 hrs per week) QUEST Coordinator, who will support the work of QUEST (Queer Unity Empowerment Support Team). This person will also provide training and consultation to StayWell employees and other community organizations to better meet the needs of the LGBTQ community. Bachelor's Degree in a medical or human service field is preferred; candidate may be considered prior to graduation. Comprehensive and intersectional understanding of the LGBTQ experience and/or community organizing highly desirable. Bilingual (Spanish/English) preferred. Excellent communication skills and ability to work well with diverse individuals in a non-judgmental and supportive manner. Basic computer skills including word and excel required. Please email cover letter and resume to jschoenfuss@staywellhealth.org.
